Conference Attendees:

The Essex County Sheriff's Department and the National Center for Women and Policing are proud to host the 15<sup>th</sup> Annual Leadership Conference in Salem, Massachusetts on June 8-11, 2010. We are pleased to join with The Massachusetts Association of Women In Law Enforcement in bringing this important training opportunity to the women of Massachusetts.

The National Center for Women and Policing is the only nationwide resource for women in law enforcement, police agencies, community leaders and public officials seeking to increase the numbers of women in law enforcement, and to raise awareness of the value that women bring to policing. The theme for this year's conference is Promoting Partnerships for Change. Our agenda features an impressive group of speakers from all across the country who will conduct workshops in areas as Leadership, Change, Partnering and Mentoring.

We look forward to seeing you in historic Salem, Massachusetts in June.

Very truly yours,

Frank G. Cousins, Jr.
